Question of resources for the Office of the United Nations High Commissioner for Human Rights and the human rights activities of the United Nations

The General Assembly,

Recalling Commission on Human Rights resolution 1998/83 of 24 April 1998 on the question of resources for the Office of the United Nations High Commissioner for Human Rights and the human rights activities of the United Nations, in which the Commission expressed its concern that, with the resources currently available from the United Nations regular budget, the High Commissioner would not be in a position to fulfil the full range of established and new mandates, and therefore appealed to the Secretary-General, the Economic and Social Council and the General Assembly to take all necessary steps, without delay, to secure for the Office of the United Nations High Commissioner for Human Rights and for other relevant components of the Organization regular budget resources for the current and future bienniums that will be sufficient to permit the effective fulfilment of the responsibilities and mandates established by Member States and commensurate with the importance assigned in the Charter of the United Nations to the promotion and protection of human rights,

Recalling also Economic and Social Council decision 1998/275 of 30 July 1998, by which the Economic and Social Council, taking note of Commission on Human Rights
